“Welcome to Z”

We know you've got places to be, so we make it our job to help you fill up and get you on your way as quickly as possible – and with a smile.

With Pay at Pump,* more diesel lanes,* super long hoses and our Forecourt Concierges to lend a hand between 10am and 5pm every day, we're all about helping you Zip thru Z.

In store you'll find delicious fresh food and Z Espresso coffee, made from Premium Rainforest Alliance Certified, 100% Arabica Beans, blended and roasted here in New Zealand to keep you fuelled too.*

And our bathrooms are hotel quality, so you can rely on clean, modern facilities wherever you go.

* Selected sites only.

Only Z offers you Fly Buys

We'll reward you with Fly Buys on all your Z service station fuel purchases every time you swipe your Z Card. Prefer to collect Airpoints Dollars™ instead? No problem. Just let us know the Fly Buys number on the back of your Airpoints Card.**

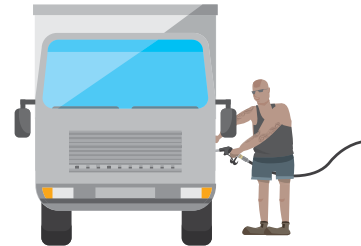

We love Kiwi dirt

A clean car is a good car. Well, it sure beats a dirty car anyway! If your car could do with a good clean, head in to Z and try our Z₂O car washes. They've got super soft brushes and a range of options, from our Quick Wash, to the full treatment with a Z₂O Max Wash & Vac.*

Z truck stops – size does matter

With bigger tanks to fill, we know that fuel needs to flow faster to get you back on the road as soon as possible. That's why we've got high flow diesel pumps at all Z truck stops - NZ's most extensive truck stop network.

**Fly Buys points will be applied to the Fly Buys card registered against your Z Card account at the start of the following month, so no need to swipe your Fly Buys card too. You'll get one Fly Buys point for every \$50 (incl GST).

Z DEC and diesel in one simple stop

Z Diesel Emission Cleaner, Z DEC for short, is Z's diesel exhaust fluid to help reduce your SCR vehicle's nitrogen oxide emissions... and now we've reduced the number of stops you have to make. Z DEC is available at selected Z truck stops nationwide, and you can put it on your Z Card for one easy payment, making life on the road easier. For more information on Z DEC check out z.co.nz/ZDEC.

Using your Z Card

It's as simple as using your EFTPOS card – simply swipe, enter your PIN and go. If you collect Fly Buys, link your Fly Buys number to your Z Card and watch the points roll in. There is no need to swipe your Fly Buys card too. Plus you can easily manage your Z Card account online with **Z Card Online** – cards.z.co.nz – doing everything from card management to reporting.

Don't have a Z Card?

Apply now to start saving and be rewarded with Z Card. Enjoy discounts on every litre pumped, earn Fly Buys points, plus we're the only fuel supplier to partner with Xero so you can make your account reconciliation a breeze[†]. For the full Z Card story, or to sign up, visit z.co.nz/ZCard.

Let us know what you reckon

We reckon that we can always do better and the best way to find out how, is for you to tell us. You can do that via the 'What do you reckon?' app on our Facebook page or, if it's easier, give us a call on 0800 474 355 or drop an email to whatdoyoureckon@z.co.nz – we'll be listening!
